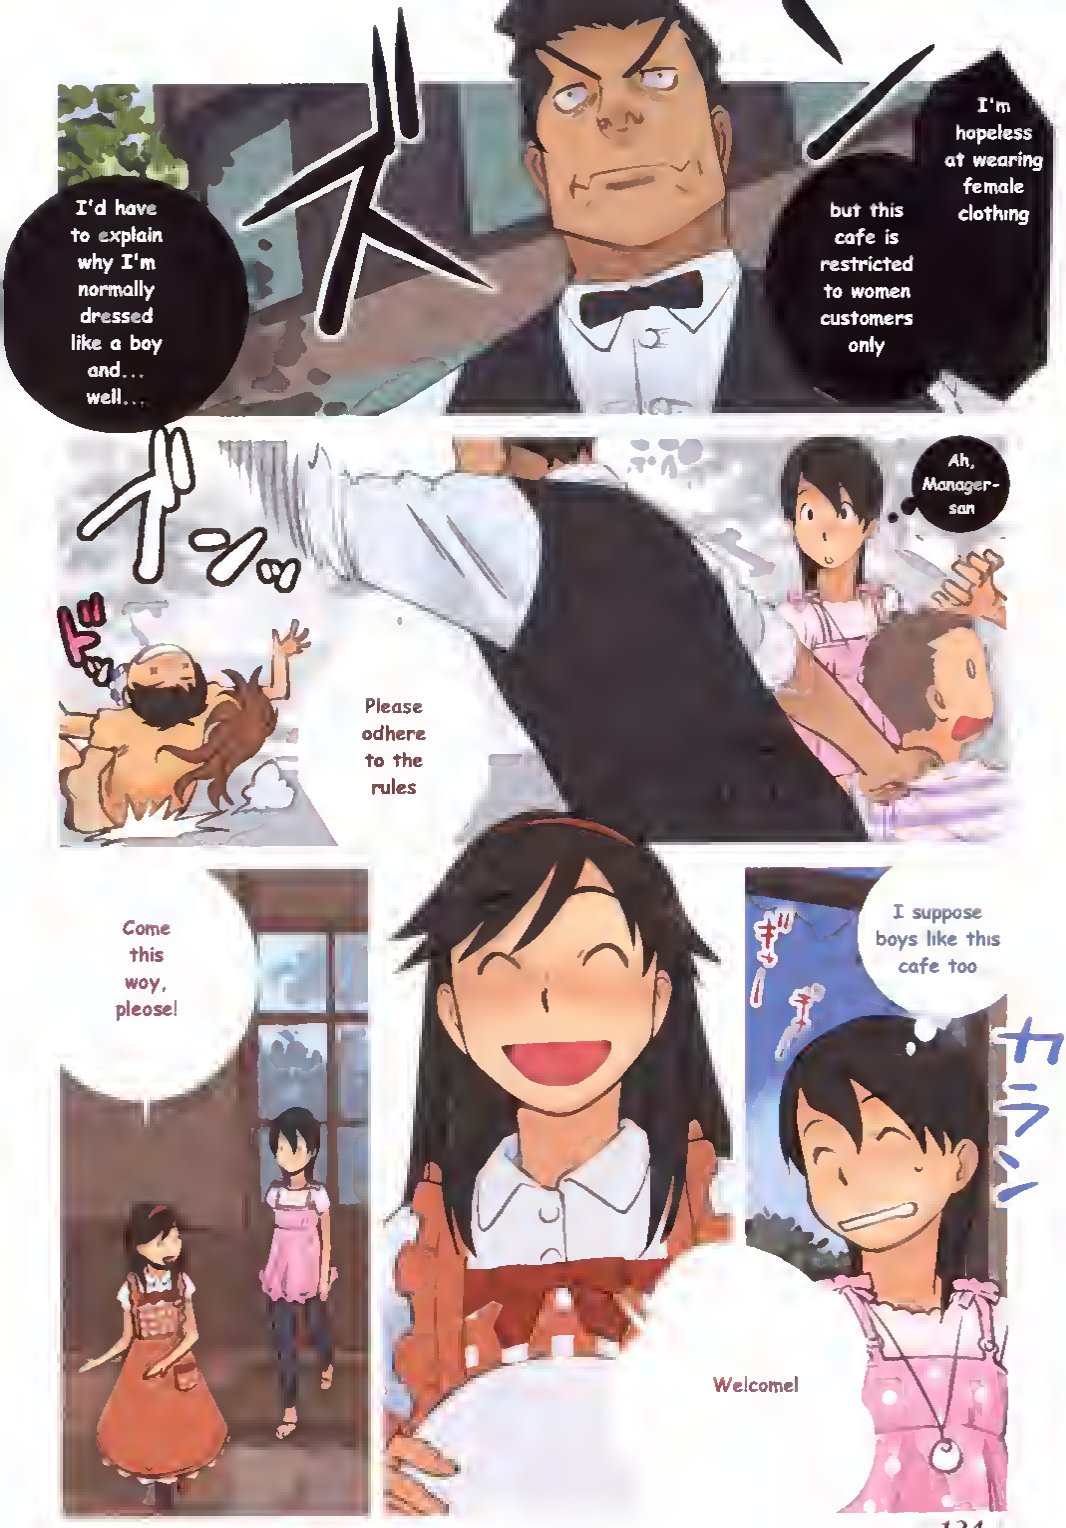
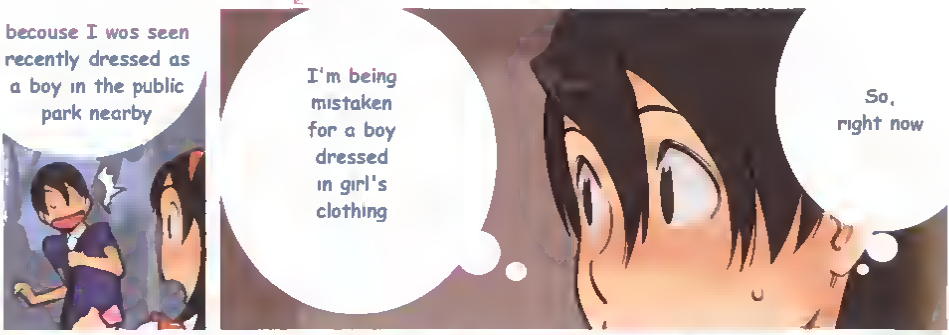
Oh, father?
I'm going to a restaurant today
Yes, Mather just finished calling me too!
My name is Andau Yuuki
My totally overprotective porents force me to weor boy's clothes when I'm nat hame but I am a girl really
I don't weor feminine clothing except ot school
But I'm still o girl ond I love sweet things!
So!
Todoy I'm "crossdressing" in search af cake
at the women-only cafe
"SANCTUARY"

STORY Ando Yuuki has very overprotective parents. They insist she dresses as a boy whenever she goes outside, but when she goes to "Sanctuary", a cafe which serves only women, she has to wear female clothing. A waitress at the cafe, Sakurai-san saw her dressed as a boy after she left and was completely fooled by Yuuki's disguise.

Presented by たかみち Takamichi



I'm hopeless at wearing female clothing
but this cafe is restricted to women customers only
I'd have to explain why I'm normally dressed like a boy and... well...
Ah, Manager-san
Please odhere to the rules
Come this woy, pleose!
Welcome!
I suppose boys like this cafe too



becouse I wos seen recently dressed as a boy in the public park nearby
I'm being mistaken for a boy dressed in girl's clothing
So, right now

They wouldn't let boys who couse problems be customers ogoin, surely?
This one ond this one
Certainly!

But I'm a girl dressed as a girl, just like you...
whisper whisper
Don't worry about how you look, I'll cover for you
Ahaha

This woitress Sokuroi hos totolly the wrong ideo obout me
I reolly need to resolve this situation soon!

but I'm being ollowed into the cofe onywoy
Moybe it's because I don't have any bad intentions, I just want to eat some cake

If I "accidentally" let her see my student passbaak
that shauld clear up her misappre-hensions

Right

She didn't see the book!
Take your time and enjoy it !

Sorry ta keep you waiting !

Is this it?
Hah

Oh deary me...
I've last my student passbook
!

Of course if she just closes it instead...
Here you are! Your student book fell right next to you!
And now she'll look inside to check that it's my student book
Oh.
No, it's all right
Should you not check inside?
Yes ?
Th-thanks, but...
This school badge
Wait ...
Oh!
She recog-nised the school emblem!
It's the emblem of the Chidori Girl's Academy!

I give up!
If Manoger-son suspects you are a bay this will convince him he's wrong!
That's good thinking!
WC
It's the woitress from the cafe
Getting dressed properly without a mirror is a pain
It laaks like she's a student at the Narumi Academy for girls
Oh

Eeh?
Woit up!
Moybe it'll be easier to explain now
ond spending the doy ot the cake shop dressed os o girl. I wouldn't dreom of criticising you for it
Oh, I'm not going to soy onything obout your hobby of wearing girl's clothing
She's not listening... I'm wasting my time talking to her
Misunder-standing?
す..
